# SMALL & MIGHTY

Every day throughout the campaign we'll introduce you to three different nonprofits in the Pikes Peak region you should get to know.

## THE ARC PIKES PEAK REGION

Society often discriminates against people with intellectual and developmental disabilities (I/DD), inhibiting access to basic human rights.

## ONE NATION WALKING TOGETHER

ONWT is the only resource and referral agency providing a broad range of culturally appropriate programs, services and crisis interventions for Native Americans, the most disproportionately impacted group who experience higher levels of poverty, hunger, homelessness and unemployment than any other U.S.
